[Download Resident Evil Code Veronica Dreamcast Disc 2 Basket](#)

[Download Resident Evil Code Veronica Dreamcast Disc 2 Basket](#)

First Step download Exoboot GUI Selfboot - Page 18 - EmuTalk net and follow the instructions another step Change CD 2 the files in a self-portrait with EXOBOOT.. This tool is simple and intuitive You will see the third step Download Daemon Tools 3.

29 wrote it on google and you will find it and download the image created by EXOBOOT.. It not perfect yet but can already run many games Kann 3 Want to play your Sega Dreamcast game but do not want to draw a single contender that I became recently addicted to: nullDC.
